Re: Material fact – General Levalle Wind Farm Commercial Operation Approval.

Dear Sirs,

I am pleased to address you on behalf of YPF Energía Eléctrica S.A. ("YPF Luz" or the "Company") in compliance with the applicable regulations, to inform that the Compañía Administradora del Mercado Mayorista Eléctrico Sociedad Anónima ("CAMMESA") has approved the commercial operation of all the General Levalle Wind Farm ("GLWF") wind turbines located in Córdoba province, ('PEGL'), owned and operated by the Company, for a net power of up to 155 MW from zero (0) hours on December 21st 2024.

In this way, CAMMESA completes the partial commercial authorizations granted on August 13rd, September 18th, November 22nd and December 14th 2024, completing the total of 25 wind turbines with a capacity of 6.2 MW each.

Yours sincerely,

Leonardo Limoli
