Ref.: Commencement of commercial operations of the “CASA” wind farm.

To whom it may concern,

We are pleased to address you on behalf of **YPF Energía Eléctrica S.A.** (“YPF Luz” or the “Company”), in compliance with applicable regulations, to inform you that the Wholesale Electricity Market Administrator (“CAMMESA”) has authorized the commencement of commercial operations in the Wholesale Electricity Market of the “CASA” wind farm, located in the Province of Buenos Aires and owned by the Company, for a net capacity of up to 63 MW to be injected into the Argentine Interconnection System (SADI).

Of the total installed capacity of PECASA, 35 MW were authorized effective as of 00:00 hours on February 11, 2026 and will be commercialized through the Renewable Energy Term Market (“MATER”), while the remaining 28 MW were authorized effective as of 00:00 hours on February 12, 2026 and will be allocated to Cementos Avellaneda S.A. through self-generation.

Sincerely,

Mariano Bagniole
