Argentine Securities Exchange Commission

Ref.: Material Fact – Commercial Operational Date of Manantiales Behr Engines

Dear Sirs and Madams,

We would like to inform you that, in compliance with the CNV (“Comisión Nacional de Valores”) regulations for the purpose of informing the investing public that Compañía Administradora del Mercado Mayorista Eléctrico Sociedad Anónima (CAMMESA) granted, starting at 00:00 hours on Saturday, March 27, the commercial operational date (COD) of 35.1 MW corresponding to 3 of the 5 engines of the Behr Manantiales Engine Project, located next to the Manatiales Behr Wind Farm in the Province of Chubut, Argentina.

We inform that we expect to obtain the commercial authorization of the remaining engines to reach a total power of 57 MW, once we complete the technical tests over the next seven days.

Yours sincerely,

Gabriel Ábalos

Market Relations Officer
