Argentine Securities Exchange Commission

Ref.: Material Fact – Commercial Operational Date of Los Teros II Wind Farm

Dear Sirs and Madams,

We would like to inform you that, in compliance with the CNV (*"Comisión Nacional de Valores"*) regulations for the purpose of informing the investing public that Compañía Administradora del Mercado Mayorista Eléctrico Sociedad Anónima (CAMMESA) granted, starting at 00:00 hours of today, the commercial operational date (COD) of 20.2 MW corresponding to 4 wind turbines of Los Teros II Wind Farm.

As of today, the wind farm has an installed capacity of 36.3 MW corresponding to 9 wind turbines available for dispatch. We expect to obtain the commercial authorization of the remaining wind turbines to reach a total power of 52.4 MW, once we complete the technical tests over the next few weeks.

Yours sincerely,

Gabriel Ábalos

Market Relations Officer
